

AVATAN The Upper Midwest's Largest Nudist Club

Founded in 1961, Avatan is located on 40 wooded acres about thirty miles north of the Twin Cities of Minneapolis & St. Paul in east central Minnesota. The attractive and secure grounds offer a safe environment for the entire family to enjoy the nudist experience.

Facilities & Activities

The campground has 120 water, electric and sewer sites. Most sites are leased annually, though there are several sites reserved for rental to visitors. Daily and weekly sites can accommodate tents, RVs or large motor homes. Reservations are recommended. The camping season runs from mid-May to mid-September.

Sanitary facilities and showers are located in the main Clubhouse and at two other locations on the campgrounds. There is a storm shelter as well as coin operated laundry facilities.

The main Clubhouse contains a fully equipped, common use kitchen, TV/living room, screened porch and large hall for dances, dinners and meetings. Showers, sanitary facilities and the sauna are on the lower level that adjoins the pool area.

The heated pool is maintained by a staff of certified pool operators. A concrete deck and ample grassy lounging area are equipped with chairs, loungers and tables for member and visitors use. There is also a kiddie pool that is heated to spa temperature in the evening.

Daytime activities at Avatan range from relaxing pastimes such as horseshoes and Petaque to rigorous sports such as Minnesota AANR Volleyball Tournaments. Evening activities are varied as well with campfires, potluck dinners, live band and DJ dances.

Neighboring Sights & Attractions

Nearby are a selection of restaurants, movie theatres, churches, stores, shops and other activities. The sports and entertainment centers of Minneapolis & St. Paul are only 30 minutes away. There is easy access to the Mall of America, the world's largest shopping facility.
